

Bicycle Alliance of Washington(BAW) RFP 2011-01

Adult-sized bicycles and helmets for safe bicycling education programs

Consultant Questions and BAW Answers:

Q1. How many “men’s” and how many “women’s” bikes should be included in the bid?

A1. The bid does not need to include the level of detail of frame sizes or “men’s” vs. “women’s” frame styles. These details will be negotiated later. All that is needed now are the model(s) and specifications for those model(s) along with pricing and delivery options.

Q2. Can the bidder submit bids including bicycles that do not meet all the specifications detailed in the RFP?

A2. Yes, although they will most likely not be selected if they do not meet the specifications called for in the RFP.
