

A Community Approach to Safe Routes to School Workshop

When: Friday, February 2, 2007
Time: School Walkabout - 8 am
Coffee and Networking - 9 am
Training begins 9:15 am until 4:30 pm
Lunch will be provided

Where: 8 am: Jefferson Elementary School, 1801 E. Blackburn Road, Mount Vernon, 98274
9 am: Skagit Valley Hospital - 1415 E. Kincaid, Mount Vernon, WA 98273

Target Audience: School teachers and District Administrators; Transportation Directors; Crossing Guard Coordinators; City Planners/Engineers; Parents; PTA and Community Organizations; Law Enforcement; Health and Safety Professionals

Safe Routes to School course agenda will include:

- Setting the context: Safety, Health and Transportation
- Audit of school campus and surrounding area
- Identifying problems and solutions
- Learn about the 5 key components: engineering, encouragement, education, enforcement and evaluation
- How communities are making it happen
- Free follow up resources and technical assistance

Safe Routes to Schools contributes to safe and healthy communities by:

- Protecting children from traffic deaths and injury
- Bringing children better health
- Eliminating inefficient and unnecessary driving
- Strengthening neighborhoods
